## The LIFE PAVEtheWAYSTE DVD film

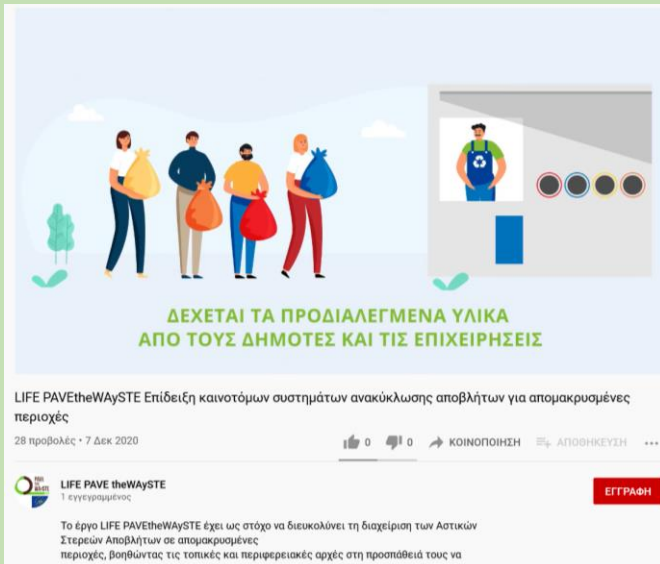

Within the framework of developing information and awareness-raising activities for citizens in the project areas, a short DVD film was produced to present the design and operation of the Green Kiosk, under the auspices of sustainable development and Circular Economy. The video is available in three languages, Greek, English and Spanish.

Please follow the links below to watch the DVD film in all three languages:

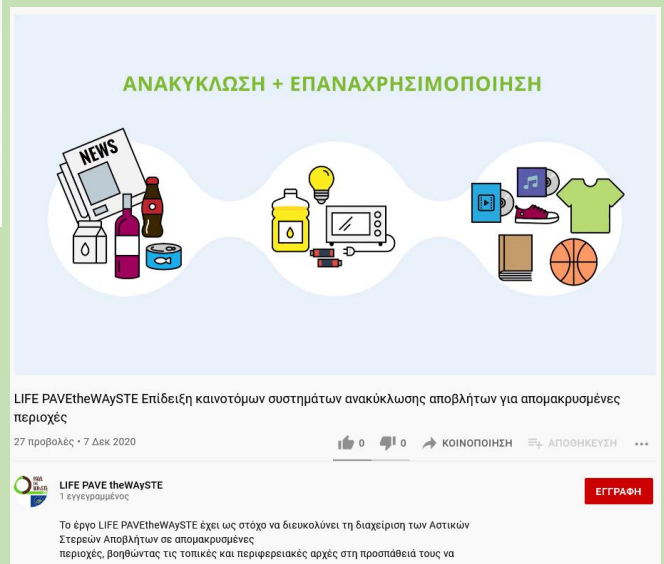

<https://www.youtube.com/watch?v=H2WC4gym4sk> (EN)

<https://www.youtube.com/watch?v=G6E9zbB-83s> (SP)

<https://www.youtube.com/watch?v=h5U3Py1mqBU> (GR)

Screenshots of the uploaded DVD film on the project's YouTube account

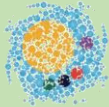

Should you want to keep up with the latest news of the Green Kiosk, then don't hesitate to subscribe to the [official channel](#) of Youtube!
