3rd information campaign for Small Cyclades

The 3rd information campaign was targeted on informing the citizens of the local communities Iraklia, Donousa, Schinousa and Koufonisia, about the results of their participation in recycling with the Green Kiosks over the past three years. It was conducted in person, with the visit of Professor Maria Loizidou to Small Cyclades in October 2021 and also remotely, online with uploads on the municipality's official website, Facebook account and the project's account on YouTube.

Questionnaire Results

The questionnaire accompanying the information campaign capturing the participants overall experience, was filled in by more than 50 residents of Small Cyclades and the results revealed that:

- ✓ The majority of the participants are **aware of** and **participate** in the Green Kiosks
- ✓ Most participations are from **households**
- ✓ The material with the highest concentration in all systems is **plastic**
- ✓ Most participants started recycling with the Green Kiosks at the start of their operation in **summer 2018**
- ✓ All participants replied that they were not happy with the waste management system that existed **before** the Green Kiosks
- ✓ **50% of the participants were very satisfied** with the prototype recycling systems, while the remaining percentage claimed that **maintenance** is needed along with **more support** regarding waste collection and management
- ✓ Those who did not participate in recycling with the Green Kiosks until today, mentioned that **they would like to participate in the future**

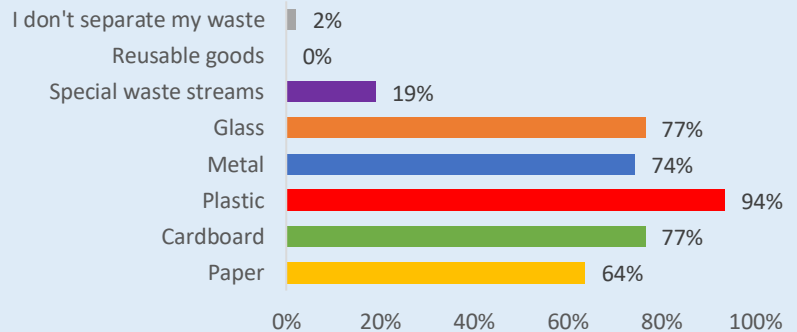

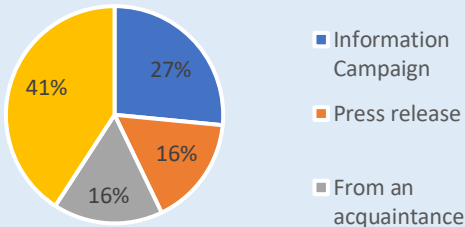

Συμμετοχή στο πρωτότυπο σύστημα ανακύκλωσης LIFE PAVEtheWAYSTE (Πράσινο Περίπτερο) στις Μικρές Κυκλάδες

Το έργο LIFE PAVEtheWAYSTE ολοκληρώνεται, αλλά τα Περίπτερα παραμένουν στις περιοχές σας για να συνεχίσετε να ανακυκλώνετε βοηθώντας το περιβάλλον και τον δήμο σας. Το παρόν αποτελεί ένα σύντομο ερωτηματολόγιο για την αποτίμηση του βαθμού συμμετοχής και ικανοποίησής σας από την χρήση των Πράσινων Περίπτ�ρων ανακύκλωσης που λειτουργούν στις περιοχές σας από την έναρξή τους (2018) έως σήμερα. Παρακαλούμε αφιερώστε μερικά λεπτά για να το συμπληρώσετε, η γνώμη σας είναι πολύ σημαντική για εμάς!

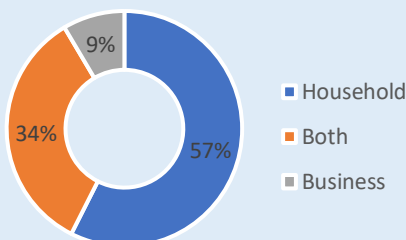

*Παρακαλούμε πολύ συμπληρώστε το ερωτηματολόγιο ακόμη και εάν δεν γνωρίζετε ή δεν συμμετέχετε στην ανακύκλωση μέσω των Πράσινων Περίπτ�ρων, καθώς είναι και αυτός σημαντικός δείκτης.

Ευχαριστούμε πολύ!

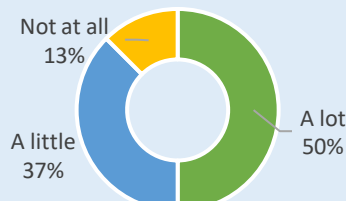

How did you learn about the Green Kiosks?

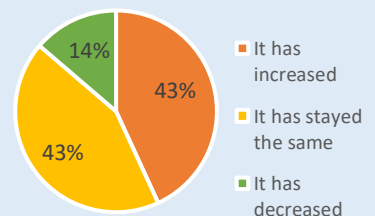

How do you participate?

To what extent would you say that you have been satisfied by the Green Kiosks?

How has your interest in participating in the future been affected?
